

BERHAMPORE GIRLS' COLLEGE
Berhampore, Murshidabad
West Bengal, India

Invitation with regard to the publication of writings in the Special Issue of the College Magazine on the solemn occasion of the organization of
Platinum Jubilee – 2020-2021

Dear Alumnae, Ex-teachers & Non-teaching Staff Members, Present Teaching & Non-teaching Staff Members and students,

The College has designed a comprehensive and thoughtful plan for celebrating the luminous 75 years of its journey (Platinum Jubilee – 2020-21) with vigour. The year wise planned programme has already been initiated with an illustrious march on 24th January, 2020. In the second step of its initiative, the college has successfully organized a **Two-Day International Seminar** on 14.02.2020 and 15.02.2020.

As part of the holistic programme, we are thinking out an arrangement for publishing a Special Issue of the College Magazine which will glorify the genealogy of the institute.

In this perspective, we gladly invite you to give your writings in the form of essays, poems, stories, memoirs, history of the college, research oriented writings etc. to make the initiative a grand success.

Even though our normal life has been absolutely disrupted with the pandemic outbreak of Novel Corona Virus (COVID-19) - an unusual and unprecedented situation – we may invariably continue our incessant effort of academic cultivation in a positive way.

Principal
