- **PROGRAM: CLEAN NATURE, SAVE YOUR COMMUNITY**
- **DATE:14.07.2022**
- **PLACE: RATAN SISHU UDYAN**
- A cleanliness drive was organised by the team of Sabujer Abhijan in collaboration with Berhampore Municipality at the park Ratan Sishu Udyan, ward no.14 under Berhampore Municipality on 14.07. 2022.Rita Chatterjee, Ward Councillor participated in the program.14 students and 3 Teachers of the College and 1 staff attended the program.
- **Objective:** The objective of the "Clean Nature Saves Your Community" program, led by college students, is to foster environmental awareness and promote sustainable practices within the community. This initiative aims to educate residents on the importance of maintaining a clean environment, engage them in activities like community clean-ups and tree planting, and encourage long-term behavioural changes that support environmental conservation. By involving students and community members, the program seeks to improve public health, enhance the quality of life, and create a lasting culture of environmental stewardship.
- **Outcome:** The outcome of the "Clean Nature Saves Your Community" program, driven by college students, includes a cleaner, greener, and more sustainable community. Increased environmental awareness among residents leads to reduced pollution and better waste management practices. The program fosters community engagement and cooperation, enhancing the collective responsibility towards environmental conservation. Students gain valuable leadership and project management skills, and the community benefits from improved public health and a higher quality of life. Ultimately, the initiative creates a lasting positive impact, instilling a culture of environmental stewardship and sustainability.
